Gladiator on the Green a Success!

YOU are creating a healthier community! Our mission everyday is supporting local healthcare for our families, friends and neighbors. 200 community partners joined in that mission at Gladiator on the Green on July 26.

We had a blast (should we say *joust*?) and focused on FUNdraising.

\$80,395 was raised to support critical needs of our medical center - items like an ultrasound for the Valley's only emergency department and \$28,350 to support our Good Samaritan fund which pays for medicine, nutritious food and transportation so patients can focus on getting, and staying healthy.

That's \$108,745 total! You made our mission come alive!

Impact spotlight: C-Arm Celebration

On July 15, we celebrated a new, essential piece of technology that is usually invisible to most of us. A C-Arm is an x-ray machine that is used during surgery right in the room, minimizing risk to the patient and maximizing efficiency for our surgeons.

This critical piece of equipment was funded by our generous community through Providence St. Mary Foundation. Donors gathered for a blessing and demonstration of the equipment.

Good Samaritan stepped up for Lloyd and Jana in their time of need

Lloyd was hospitalized with a life-threatening brain tumor. For weeks, Jana didn't think he would survive. Thanks to the treatment he received, he did. But there was no question he needed a power wheelchair as he began his recovery.

That's when the Perrin's learned their insurance would only cover the cost of a manual chair.

The Good Samaritan Fund stepped in and Lloyd got the power chair he needed. Lloyd returned to work as a Pastor at the Milton Adventist Church within three months and was once again racing his grandchildren to the mailbox!

They shared their story at Golf 2019.
